I have researched this family of the Crabb Family as it connected to the Hilleary, Beall, Murdock, Sprigg, and some others they married into but didn't do a lot of research on these families as my time was running out at the time I started then at Ft Wayne and other libraries.

Am sure now their may be more info then what I found if anyone is interested in doing more research on these families. Especially if they connect to them.

As you will notice the address and e-mail is different on many of the family group sheets as hadn't done any more on the families so didn't recopy them but as you can see from above my new address and e-mail is there.

HUSBAND - Alexander Beall

Most sources list Alexander as father of James. Most sources listed wife as Margaret Ramsey b. 10 May 1624 Scotland.

Possibly his father was listed as William Bell in Scotland. Also stated his father was James B. Beall who md Ann Calvert. James father being Alexander Beall who was md to Margaret Ramsey.

One internet source listed an Alexander Beall b. 1565 Largo, Fifeshire, Scotland and md Margaret Ramsey 1593 and she was born 1569. (Believe this to be wrong)

Will have to do more research to determine which is correct?

This Alexander was said to have died 10 Jul 1725 Pr Geo Co. MD.

Will of one Alexander Beall, Jr Prince Geo Co. Md dated 16 Jan 1743 - 8 Sep 1744 belive to be this persons son's will. Wife was deceased. Listed son William, son Ninian, son in law John Jackson and children of testator's deceased sons James and John. Brother Robert and wife of Ligan Wilson, negro Ann, her freedom. Test: Meredith Davis (Quaker), Joseph Beall, John Courry Bk 23 pg 543.
He listed a brother Robert and also son in law, which would mean he had a daughter md to John Jackson as well.

No source listed a son Robert for this Andrew and Margaret, yet if ALEXander Beall Jr who d. 1744 was the son of Alexander Sr. and Margaret Ramsey, in his will he listed his brother Robert. Doesn't say Robert Beall thought and Alexander Jr was md couple times and so could have been step bro as well.
Not sure yet... But no one listed Robert as son of Sr.

There was a site on the internet that listed "Descendants of Alexander Beall" and had much same info as the book by the same name I found in Salt Lake City written by Richard Dwight Prall pub 1997. Sheri sent this from the internet and here only listed the 4 children. This site listed Alexander, James and Nathaniel who md Ann Murdock
This site only carried down James line who md Sarah Pearce, nothing on others.
This site from <http://freepages/genealogy.rootsweb.com/~mdmalone/Surname%20Ppges/beall.htm>.

She also located a couple other sites that had a lot of info on 3 generations of Bealls, Alexander, William and Nathaniel who md Ann Murdock in that order. This info stated Nathaniel was son of William, not James as all other sources have listed. All birth dates for him different as well. More complete info here then have seen anywhere but still not convinced we have the right order.
<http://users.rcn.com/lsimms21/beall0.html> and <http://www.webdudes.com/sims/beall2/html>
Were the two sites most info came from on the 3 direct line and listed same children as other sources for each except Nathaniel. 7 pages for one site and 3 for the other.

HUSBAND - Alexander Beall (Continued)

One of the sites believes this line of Bells is where Alexander Graham Bell is descended from, Ninians brothers or uncles who stayed behind in Lower Largo, fife, Scotland believe to started shipping his Bell cousins in from there prior to 1700 were his cousins from St Andrew parish descended from his fathers brother William. This Ninian maybe cousin to Alexander Beall d. 1744.

Another letter fro mthis site stated from Dennis Bell he has a William Bell b. 1595 Largo parish, Fife, marrying Kathrine Smyth (born 1602) abt 1625 and his databank indicates that Col Ninian Bell/Beall and Alexander Graham Bell share the common ancestry back to Alexander Bell b. 1565 Lower Largo and Margaret Ramsey. Here is stated this William had a son Alexander who also married a woman by name of Margaret Ramsey so is this possible that info had located before is correct?

Appears the name started out as Bell in Scotland and was somehow changed to Beall in America.

CHILD 1 - William Beall

"The Crabb Family" William Beall son of Alexander and Margaret Ramsey Beall b. 1647 d. 1731 md Sarah Stallings, dau of Richard and they had 6 children.

"Descendants of Alexander Beall" stated William came to Maryland 1664 so would believe he was born in Scotland, before his parents came to MD.

CHILD 2 - Alexander Beall

There are several sources of info on Alexander Beall. Some agree and some dissagree.

It is believed he was bapt 1o Oct 1649 at St Andrews Parish, Fifeshire, Scotland, 2nd son of Alexander and Margaret Ramsey Beall.

There is some sources that have said this Alexander md 1st unkown and 2nd Elizabeth Coombs and those children were listed as Wm 1683, Ninian 1686, James 1690 and Alexander III. These children were listed with 2nd wife so have a lot more research to do here.

MARRIAGE1: Apparently his first wife is not know but it is believed his 5 children were from this marriage.

MARRIAGE2: Has been stated he md Elizabeth Buckerfield after 1690 and maybe had 2 more children. This also is a problem as one of the children was said to have been Nathaniel b. 1717 who md Ann Murdock, dau of Rev. Geo Murdock. Whereas several other says that Nathaniel was son of James and Sarah Pearce Beall, James being a brother to this Alexander.

"Maryland Calendar of Wills 1738-1743" has abstract of will of Alexander Beall which fits this person.

16 Jan 1743-5 Sep 1744 Prince Geo Co. MD. pg 273

Listed Brother Robert and wife of Ligan Wilson personalty, negro Ann, her freedom, SON: William, dwelling plantation, this being part of "Neighborhood & "Largo", on s.w. branch of Patuxent river; Ninian residue of "Largo", commonly known as Menella's Quarter" and SON IN LAW: John Jackson and Children of Testators sons James and John, residue of estate Test: Meredith Davis (Quaker), Joseph Beall & John Courry Sons William and Ninian and son in law John Jackson executors. Bk 23 pg543

"Descendants of Alexander Beall 1649-1744" by Roberta Hull Baptized St Andrews Parish, Fifeshire, Scotland, 1st wife unknown but mother of 5 children: William, Ninian, Ruth, John & James. Doesn't list any for 2nd mg. Some of this book carries down John's line. But didn't copy much of that. Pg 8-29 starts line of Nathaniel Beall 1715-1757 who md Ann Murdock. We have many different dates for birth of that Nathaniel.

"The Crabb Family" Vol II by Richard Dwight Prall pub 1997 pg 901-905

Alexander Beall md Margaret Ramsey and listed 3 children Wm, Alexander & James.

Alexander md ca 1680 Elizabeth ? and 6 children listed b. ca 1683-1690's all Elizabeths (here)

Wm, Ninian, John, James, Ruth and Nathaniel who md Ann Murdock. (same info for these children as other source except Nathaniel added here).

"Colonial Settlers of Pr Geo Co MD" pg 20: Alexander Beall, dau, Ruth Jackson (w/o John); tract Jackson's Improvement 9 Nov 1719 (PGLR F.258/843

pg 21: Alexander Beall Sr, wife Elizabeth 28 Aug 1731 (PGLR Q.363

pg 21: Alexander Beall, son John 1732 (MCW VII.85) pg 23: Alexander Beall 16 Jan 1743-5 Sep 1744; sons William, Ninian, James (dec'd), John (dec'd), bro Robert, s-i-l John Jackson; tracts Neighborhood, Largo, Menella's Quarter (MCW VIII.273) 27 Nov 1744 (I 20,86)

Notes CHILD 2 - Alexander Beall (Continued) (some references to his children also). Internet site Sheri sent me "Desc of Alexander Beall" (not same as book?) listed this Alexander md to Elizabeth Coombes 1687. Listed 6 children for them: Ruth b. 1686, Ninian, John, James, Mary & William. Also stated Alexander owned "Friendship Enlarged" which extended from (now) Washington City to the Burnt Mills, on Sligo Creek, 920 acres. (Book of Montgomery Early Patents.) Alexander also bought 648 acres of land in now, Montgomery Co. in 1716. He was also a Magistrate. Believe brother Robere, mentioned in his will, did not have the same father and mother as Alexander and believed Robert was a Scotch foster brother. (These children listed for Alexander and ?unknown are the same as listed here except Mary listed here and not Alexander and wife unknown) CHILD 3 - James Beall One source listed his name as James William Beall. Several sources and some don't say same thing. One source James b. ca 1651 Eng or Fifeshire, Scotland, md ca 1693 Pr Geo Co. Md to Sarah Pearce. Died Feb 1725 Pr Geo Co.. Also stated Sarah Haswell, widow, w/o Dr John had land that was listed in will of James. One source listed his parents as Alexander Beall and Margaret Ramsey. Md Sarah Pearce abt 1693 Sarah dau of John Pearce and Sarah Sprigg. Will of James has several dates listed. 21 Nov 1723-10 Jul 1725 and other dates 13 Jul 1727 - 10 Oct 1727 - 27 Feb 1728 - 26 Jun 1728 - 24 Mar 1736 - 18 Jan 1728 and Widow Sarah Haswell dated 1736 listed land called Layhill. In his will was listed widow Sarah, 8 children, unnamed. But in other references were listed: John, Nathaniel, James, Robert, Joseph, Zepheniah, dau Sarah, son in law Thomas O'dell, brother Alexander Beall and cousins William and John Beall. Tracts of land listed: Rovers Content, Fiffe, Good Luck, Drumaldrree, Easy Purchase, Addition to Easy Purchase, Lone Head, Lay Hill, Allison's Park, Cooper, Beall's Mannour. Nathaniel of competent age chose Wm Beall Sr as guardian Aug 1725 James age 15 on Jan next chose Mother Sarah and cousin John Beall Sr as guardian Nov 1725. Sarah Beall age 13 next Apr chose mother Sarah as guardian Nov 1725 Robert Beall age 19 on 29 Nov next chose Thomas Odell as guardian Mar 1735 Joseph age 16 chose Thomas Odell as guardian Aug 1735 Dau Margaret not listed anywhere here but was said she was md to Thomas Odell ca 1712 Internet site by Charlie Dee Taylor listed James Beall b. 1700 md Sara Pearce, son of Alexander and Elizabeth Coombes. Listed 7 children with birth dates from 1721 to 1740. These children listed as Nathaniel b. 1721, James Jr, John, Robert, Joseph, Zephania, Sarah b. 1740. Other sources have listed James as son of Alexander and Margaret Ramsey and listed 8 children born from 1692/3 thru 1727. These children Margaret ca 1692, Nathaniel ca 1695/99, John, James, Sarah, Robert, Joseph b. 1719, Zepheniah. "The Crabb Family" pub 1997 by Richard Dwight Prall listed James Beall b. 1652 Fife, Scotland, d. 1725 md 1693 Sarah Pearce, son of Alexander Beall and Margaret Ramsey. James came to Md in 1668, brothers William in 1664 and Alexander in ca 1680. "Maryland Calendar of Wills" Alexander Beall Pr Geo Co. 16 Jan 1743-5 Sep 1744 listed brother Robert, son William, son Ninian, and children of testator's deceased sons James and John. Bk 23 p543 We know by will this James was deceased by 1725. Annapolis Hall of Records have one James Beall listed who died 1725 Pr Geo Co. MD Bk 18 p394. Sheri sent me info from couple different sites that say the complete opposite. One site listed Nathaniel as son of James and Sarah Pearce and another site listed Nathaniel as son of William and Elizabeth Magruder. Both sons of Alexander and Margaret Ramsey, that they agree on. Both have good arguments as to why they think the way they do. What we need is proof, not guesses. In the site "Descendants of Alexander Beall" is listed Mary Beall dau of James md Thomas Odell and also listed Margert his dau md to Thomas Odell.f Other sources don't list a Mary here, only Margaret. CHILD 4 - Andrew Beall "Descendants of Alexander Beall" stated Andrew arrived in Maryland in 1677 (his brother said to have come in 1664). His will probated 23 Mar 1742 Pr Geo Co. Md, indicating he had no family as he left his property to friends.

Samuel was one of the 12 judges of Fred. Co. in 1765, served in the Md. legislature from Fred. Co., and was commissioned a militia Col. in the 3rd Fred. Co. Regt. on 1-1776 (formerly Pr. Geo. Co.). He resigned 4-1776. His estate included "Sam's Beginning" and "Water Mill" at Collington Iron Works. Those works were the first in Md. and made cannon for the Continental Army. Samuel repudiated the Stamp Act, was one of the Committee to carry out the resolves of the Continental Congress of 1774, a delegate to Md. Convention at Annapolis held to follow up the resolves, and there he was one who declared Maryland's independence from Britain. He also was Chairman of the Committee of Safety.

Son Samuel Beall III was one of the "Twelve immortal judges of Frederick, Md." of the Stamp Act according to a newspaper editorial by S. S. Mack in the 11-20-1907, *Baltimore Sun*. Mack wrote that Eleanor Brooke was the gr. dau. of Gov. Thomas Brooke of the house of De la Brooke, Md.

Gen. Washington was often a guest of Samuel Beall III [Parran p59].

Brent Family

The Brent family can be traced back to the Norman Conquest when Odo De Brent was Lord of the Manor of Cosington, Somersetshire, England, 1066-1087 [see Mackenzie for more details on the lineage]. Buck in *Pedigrees of Emperor Charlemagne's Descendants* V.3 p29 traced the Brent ancestry back to John of Gaunt 1340-1398, King of Castile and Leon and to Charlemagne.

12. Jane Brent d. 1680, m. Thomas Cassie

13. Anne Brent b. c1620, bp. 8-7-1637, d. bef. 1647, m. Hon. Leonard Calvert

Sir Richard was sheriff of Gloucester, England, in 1614, and a subscriber to the building of the Bridge at Stratford-on-the-Avon in 1618 (Shakespeare's home town and two years after Shakespeare's death). The manor house of Lark Stoke dated from the time of James I.

Our tour guide at St. Mary's City, Md., in Oct. of 1991 told us about a wealthy woman of the village who did not marry because the husband would gain control of all her property. I believe the guide referred to the above dau. Margaret Brent. This woman also saved the settlement from Indian attack by hiring the militia from a nearby village. Margaret Brent handled the affairs of Lord Calvert, Lord Baltimore.

Margaret was 37 years old when she arrived in Md. in 1638 with her sister Mary, brothers Fulke and Giles as well as a retinue of maidservants and menservants. The sisters brought over nine colonists which entitled them to extensive acreage. The sisters built a home in St. Mary's City in 1639 and called it "Sisters Freehold." With her extensive knowledge of law, Margaret was executrix of Gov. Leonard Calvert's estate following his deathbed instructions before witnesses to her, "Take all and pay all." Then Calvert asked Margaret to remain at his bedside while he sent everyone else from the room so that their final farewell might take place in private. No one knows just how strong a tie there was between Lord Calvert and Margaret. Calvert and Margaret had been joint guardians of Indian Princess Mary. Margaret was the sister-in-law of Gov. Leonard Calvert. Gov. Leonard Calvert, the 2nd son of the 1st Lord Baltimore, was appointed in 1633 as Gov. of Md. by Cecil Calvert, his brother, the 2nd Lord Baltimore.

Soldiers recruited by Gov. Calvert to regain the Md. colony from Ingle in 1646 began clamoring for their pay. Margaret paid the soldiers their delinquent pay by selling cattle belonging to the Gov. Calvert's estate. Lord Baltimore was critical of Margaret's bold decision, but her action was defended by members of the Assembly. In a letter to Lord Baltimore, the Assembly wrote, "safety was better at that time in her hands than any man's else in the whole province." But, when Margaret appeared before the Assembly on 1-3-1648, requesting two votes in the Assembly, one for herself because she met the usual landholder qualification and one as the Proprietor's attorney, she was turned down by the all-male Assembly. This is one of the earliest official attempts of a woman to seek political rights for her sex in America. Margaret Brent's name appears a total of 124 times in the colonial court records.

The Brent family, and especially Margaret, quarreled with Lord Baltimore and finally, the relationship became so strained that the Brents left Md. At age 56 Margaret Brent moved to Va., naming her manor in Westmoreland Co. "Peace." Giles had a Va. land grant in 1651. In 1653 an entry in the Va. land records lists Giles Brent Jr., the year-old grandson of the "Emperor of the Piscataways" as owner of 800A on the Potomac R. A century later, George Washington added this same tract of land to his Mt. Vernon estate. On 9-6-1654, Margaret Brent received a 700A land grant across the Potomac R. in Va. just up river from her brother's 800A. On Margaret's 700A the city of Alexandria, Va., was eventually built. It was the custom to grant 50A as a "headright" for each colonist brought into Va. Margaret brought 14 people to Va.

Margaret Brent wrote a will 12-26-1663, Westmoreland Co., Va., which gave nephew George the Md. land except that already assigned to cousin James Clifton; personality to nieces Clifton, Eliz. Brent, Ann Vandan, and Mary (Mary received all the silver spoons), dau. of bro. Giles; nephew Richard, son of bro. Giles, land at the Falls of Rappahannock R., lease of Kent Fort Manor in Md.; brother Giles residue of estate (in England, Va., and Md.), ex. brother Giles Brent and his children, Giles, Mary, and Richard [*Judgments* 28 p6].

On 10-21-1669, a Robert Howson, a Va. merchant, for bringing 120 people to Va. received 6,000A on the Potomac just above Margaret Brent's. John Alexander, merchant and surveyor, bought the 6,000A a month later for 6,000 pounds of tobacco. John Alexander paid the Brent heirs 10,500 pounds of tobacco on 1-14-1674/5 for their 700A. The area remained a wilderness for half a century, but the name "Alexander" christened a city in time. Today, the Woodrow Wilson Bridge across the Potomac meets the land of the Brents on the Va. side [*Somerville* p33].

Fulke Brent, brother to Margaret, Mary, and Giles, built a house in St. Mary's City called "White House."

Notes

HUSBAND - (Henry) Edward Crabb

It is thought Thomas Crabb b. 1666 England, d. 3 Jan 1719 Charles Co. MD and md Elizabeth Wright b. 1668 d. 1749 could be the parents of Ralph, Thomas and Edward Crabb.

This thomas was said to be son of Edward Crabb & Nana Emmons and also said to be son of Henry Crabb and Hannah Emmons. (which could be the same 2 people-GLT)

Some sources list this and some not sure. All seem to agree there were 3 brothers.

Internet site listed Henry Crabb d. 1633-37 England, died 1698 Kent Co. MD md to Hannah Emmons 11 Jan 1657/58 Boston MA.

Henry son of Richard Crabb 1594 Suffolk Co. Eng md to Mary Coe . Richard d. 6 Apr 1680 Oyster Bay, Long Isand, New York and Mary died ca 1692/94? Listed the one son Henry.

this site listed children: Thomas b. 1666 Kent Co. MD, Martha, Elizabeth, Samuel, Mary, Ralph, & Elizabeth Crabb.

WIFE - (Hannah) Nana Emmons

It is thought Elizabeth Wright may have md Thomas Crabb, and are parents of Ralph ?Wright Crabb.

She was dau of Henry Wright.

CHILD 1 - Thomas Crabb

PARENTS ARE NOT KNOWN AT THIS TIME.

Some have said Thomas and Elizabeth Wright, some had said Henry and Hannah Emmons and some have stated Ralph Sr. but none is known for sure.

Thomas Crabb who died 1719 listed 3 daughters in his will was thoguht to be a brother to Ralph who d. 1734 and Edward Crabb who d. 1756. This is the conjecture of Richard Dwight Prall who wrote the book "The Crabb Family" pub 1997.

An internet site listed Thomas Crabb. b. Kent Co. MD and died 3 Jan 1718/19 Charles Co. MD. Son of Henry Crabb and Hannah Emmons. Other sources listed his parents as Edward Crabb and Nana Emmons.

The author who wrote the book "The Crabb Family" by Richard Dwight Prall pub 1997 is not convinced who the father of Ralph was. The book by Monnet thinks his father was Henry but he says there isn't a shred of evidence, and other sources have said Thomas who md Elizabeth Wright was son of Ralph.

He says Thomas who md Elizabeth Wright was a brother to Ralph, not a father so unless Ralph was a lot older then we thought and the will of this Thomas who d. 1719 only listed 3 daughters in his will. But not all persons listed all their children they had so maybe Thomas was a son and he didn't list him. Although for Ralph to buy land in 1713 he would have to have money from somewhere as would have just been 23 if born 1690 and he did buy "Essington" in 1713 and it was left in his will to his wife in 1733/34 and she left to her children when she died 1763. So was Ralph a son or brother to this Thomas? No mention in this book Thomas md 1st Margaret Wilson, only that Thomas Crabb was md to Elizabeth Wright, dau of Henry Wright.

Md 1st 1688 to Margaret Wilson

Md 2nd 1692 to Elizabeth Wright, dau of Henry Wright.: Children: Ralph Wright Crabb, Margaret, Elizabeth, Thomas b. 1680 d. 1719 Charles Co. Md. (Death date for this Thomas 1719 and his birth has been listed as 1666), Edward and Jane. (what reference to Edward and Jane?)

CHILD 2 - Edward Crabb

PARENTS ARE NOT KNOWN AT THIS TIME>

Some have thought Thomas and Elizabeth Wright, Some have thought Henry and Hannah Emmons and even Ralph Sr. has been discussed.

Edward Crabb listed as brother in will of Thomas Crabb dated 1733/34. Some of his land was to come to Thomas for his heirs.

CHILD 3 - Ralph Crabb

Sources from Salt Lake City library and internet listed Ralph Wright Crabb, father of Margaret Crabb who md William Hilleary. Some sources have said He was son of Thomas Crabb and Elizabeth Wright.

the book "The Crabb Family" believes he could be son of Ralph Sr. and other sources have listed him as son of Henry

Notes

It is thought Thomas Crabb is 1688 England. At 3 Jan 1719 Charles Crabb and his Blundell Wright b. 1688 & 1749 could be the parents of Ralph, Thomas and Edward Crabb. The Thomas was said to be son of Edward Crabb & Hans Emmens and was said to be son of Henry Crabb and Hannah Emmens (which could be the same 3 people-2?)

Some sources list the wife and name not sure. All seem to agree there were 3 brothers.

Thomas also listed Henry Crabb d. 1688-37 England, died 1688 Kent Co. MD and to Hannah Emmens 11 Jan 1651/58 Boston MA.

Henry son of Richard Crabb 1594-Suffolk Co. Eng and to Mary Crabb, Richard d. 8 Apr 1680 Oyster Bay, Long Island, New York and Mary died in 1680/81. Listed the son was Henry.

His six listed children: Thomas d. 1688 Kent Co. MD, Martha, Elizabeth, Edward, Mary, Ralph, & Elizabeth Crabb.

Wife: (Hannah) Hans Emmens

It is thought Blundell Wright may have had Thomas Crabb, and the parents of Ralph Wright Crabb.

She was dau of Henry Wright.

CHILD 1 - Thomas Crabb

PARENTS ARE NOT KNOWN AT THIS TIME

Some have said Thomas and Elizabeth Wright, some had said Henry and Hannah Emmens and some have listed Ralph Sr. but none is known for sure.

Thomas Crabb who died 1719 listed 3 daughters in his will was thought to be a brother to Ralph who d. 1704 and Edward Crabb who d. 1706. This is the conjecture of Richard Dwight Hall who wrote the book "The Crabb Family" pub 1997.

An internet site listed Thomas Crabb d. Kent Co. MD and died 3 Jan 1719/18 Charles Crabb, son of Henry Crabb and Hannah Emmens. Other sources listed his parents as Edward Crabb and Hans Emmens.

The author who wrote the book "The Crabb Family" by Richard Dwight Hall pub 1997 is not convinced who the father of Ralph was. The book by Thomas prints his father was Henry, but he says there isn't a shred of evidence, and other sources have said Thomas was son of Blundell Wright was son of Ralph.

He says Thomas who had Blundell Wright was a brother to Ralph, but a father so there Ralph was a lot older than we thought and the wife of the Thomas who d. 1719 only listed 3 daughters in his will. But not all persons listed in their children they had so maybe Thomas was a son and the likely it was. Although for Ralph to buy land in 1712 he would have to have money from somewhere as would have just been 17 from 1690 and he did buy "Essexbury" in 1713 and it was his to his wife in 1713/14 and the list to her children when she died 1714. So was Ralph a son or brother to the Thomas. His position in the book Thomas and his Margaret Wright, only that Thomas Crabb was said to Elizabeth Wright, dau of Henry Wright.

MD 1682 to Margaret Wilson

MD 1682 to Elizabeth Wright dau of Henry Wright. Charles Ralph Wright Crabb, Margaret, Elizabeth, Thomas d. 1680 & 1719 Charles Crabb (death date for this Thomas 1719 and his birth has been listed as 1680, Edward and Jane. (with reference to Edward and Jane).

CHILD 2 - Edward Crabb

PARENTS ARE NOT KNOWN AT THIS TIME

Some have thought Thomas and Elizabeth Wright. Some have thought Henry and Hannah Emmens and even Ralph Sr. has been discussed.

Edward Crabb listed in brother in will of Thomas Crabb dated 1733/34. Some of his time was to come to Thomas for his care.

CHILD 3 - Ralph Crabb

Source has said that John Crabb and Edward listed Ralph Wright Crabb, father of Margaret Crabb who was William Henry. Some sources have said he was son of Thomas Crabb and Elizabeth Wright. The book "The Crabb Family" however he could be son of Ralph Sr. and other sources have listed him a son of Henry

CHILD 3 - Ralph Crabb (Continued)

so it isn't for sure who the parents were but would make sense if his name was Ralph Wright Crabb and Thomas md Elizabeth Wright that they could be his parents.

Richard Prall author of "The Crabb Family" says he had found no reference that this Ralph's middle name was Wright. Although he did have a son named Henry Wright Crabb and Henry Wright was the name of Elizabeth Wright's father that md Thomas Crabb. (either father or brother of Ralph?)

Birth listed as ca 1692/94 prob. Md Again Richard Prall disagrees with this age and thinks he was born earlier then the 1690's dates Case in point the document in MD archives with a listing of Ralph Crabb as a creditor on an inventory in 1711. If same Ralph Crabb that purchased the plantaiton "Essington" in 1713 which in fact this Richard did have at the time of his death, then he really wouldn't have been old enough if born 1690/2 as would have been 20 in 1711 and 22 in 1713 and if born 1695 as other sources have stated as well he would have been he certainly wouldn't have been old enough to buy land at that age. In 1713 there was one Ralph Crabb who had power of attorney as a merchant in 1713 in the estate of Isaac Miller. Believing he would have to be at least 21 or older in 1711 and 1713 he would have to have been born before 1690.

There was a Ralph Crabb listed as deceased in 1726 deed but in rereading that deed he was not deceased.

There doesn't seem to be any estate papers for a Ralph Crabb Sr. or any document that refersto him unless some of the early papers were Ralph Crabb Sr. He thinks there was no Sr. and there was he may have stayed in England and his 3 sons Thomas, Ralph & Edward came to Maryland.

The 1723 date Ralph Crabb patent for the plantaion "Deer Park" mentions 2 other dates but those appear to be when maryland had changed it s land laws and meant nothing else.

It appears Ralph Crabb was listed as a brother in the 1719 inventory of one Thomas Crabb of Charles Co., beign next to Pr Geo. A brother Edward is named in the 1733 will and inventory of Ralph. In 1756 heirs of Edward are discussed in a deed. So I, Richard Prall believe there were 3 Crabb brothers: Thomas b. bef 1680 d. 1719 (will only listed 3 daughters so may have been young when died? On married in 1717 and one in 1720 which would make them born ca 1700?)

Ralph b. bef 1690 d. 1734 Ralph & Priscilla had 9 children between 1717/1734 and she was still in child bearing years at that time. Ralph did name a son Thomas and one Edward. He also named one son Henry Wright Crabb which could have been in honor of plantation owner Hernry Wright who was the father in law of HIS BROTHER, THOMAS Crabb. (this is who some have listed as Ralphs parents) Richard does not use the Wright as a middle name for this Ralph Crabb either.

Edward b. aft Ralph d. 1756 Only located one child for Edward, a son named William and aren't many records on Edward.

Marriage listed as 22 Aug 1716 Prince George Co. MD from mg records. Believing he was at least 21 when he married he would have been born by 1695. So the dates fit the Ralph born ca this time but not the one that fit the creaditor or estate so again would appear this Ralph would have to have been born before the 1690. If born 1690 he would have been 21 in 1711.

Death listed as 1734 Prince Geo Co. Md. A copy of the will is provided in the book "The Crabb Family" by Richard Dwight Prall pub 1997 pg 178-179. Written 14 Dec 1733 and probated abt 8 Mar 1734 Pr Geo Co. MD. Will Book 1 pg 225-226 Priscilla his executor presentedd his will and release bond dated 8 Mar 1734 to be probated.

The St Barnabas Ch. on 4-15-1734 elected vestrymen Osborn Sprigg and Thomas Warren instead of Mr Ralph Crabb, deceased. On 6-17-1734, the Rev Jacob Henderson was ordered to pay Priscilla Crabb 11 pounds due her late husband deceased (St Barnabas Ch. Register p50).

Priscilla Crabb ext. of Ralph Crabb of Pr Geo. Co. presented his will and release bond with Major Edward Sprigg and Henry Wright securities for 2,000 pounds, 3-8-1734 (Monnett 1911 p342: V.29 p385). The bond wa salso noted in the book (Administrabors Bond #1698 p269). Sarah Browder of Texas sent a copy of the following original administration bond in 1990 which was in Box 8, folder 52.

"Maryland. Here also is listed the inventory reported 5 Sep 1734 by Priscilla Crabb. 3 pages in the book so will copy but not copy here. but does state inventory was reported 5 Sep 1734 by Priscilla Crabb ex. with relations Sarah and Edmond (Edward) Crabb (Monnett 1911 p380 #1729 inv. p262) This Edward was the brother of Ralph Crabb, not infant son of Ralph & Priscilla Crabb. Listed under inventory Box 9 folder 30. Estate inventory listed as 681.15.11 pounds then money paid out and money owed in the end the estate was worth 945.16.7 1/2 pounds.

In the Guardian Bonds book labeled 1708, Ralph Crabb held the bond for Bussey's orphans on p18, for Miles' orphans on p44 and then Ralph's own orphans were listed on p98. On p98 Priscilla Crabb was the widow, Turner Wooton and Osborn Sprigg held the bond and the orphans of Ralph Crabb deceases were Thomas, Margaret, Henry Wright, Ralph, Eleanor, Jeremiah, John and Cadreno Crabb (according to Monnett 1911 p380; V. Guardian Bonds 1708 p98). The "Cadreno" Crabb must have been a nickname for the infant Edward Crabb born in 1734.

Herein also is listed info on the estate which was quite large. and all the creditors and in all the estate was worth 945.16.7 1/2.

The Edward or Edmond Crabb was a brother of Ralph, not Edward the infant son of Ralph and Priscilla Crabb, born after Ralph's death in 1734. Sarah Crabb was the oldest daughter of Ralph and Priscilla who did not marry until 5 Dec 1734.

Info from the book "Across The years in Pr Geo co. MD" pg 460 listed Ralph Crabb and Priscilla Sprigg, his wife, to whom in his will, 1733, he devised his right title and interest in a part of Essington "which tract I bought of Abraham Clarke and James Williams, containing 400 acres". He also left issue: daughters; Sarah, Margaret and Eleanor; Sons: Thos. Wright, Ralph, Jeremiah, John and speaks of an unborn child.

Several sources on the internet but only copied one from John L. Porritt site as he 10 children listed and had parents of Ralph as Thomas Crabb and Elizabeth Wright. Md Priscilla Sprigg. Didn't have a lot on most of the children however.

Papenfuse summarized Ralph Crabb's life in the following manner: Ralph was a member of the anglican Ch; a Mr. 1718; Gentleman 1721; merchant 1718; lower house from Pr Geo Co. 1719 to his death in 1734; died before 1734 convention; was a local officer in the Queen Anne parish Vestry 1716-1719, 1722-1723, 1725-1726, 1731-1734; justice of the peace of Pr Geo Co. 1719-c1733; the quorum 1727-c1733; justice court of Oyer and Terminer and Gaol Delivery; commissioned 1729 and churchwarden in Queen Anne Parish 1730-1731. At his first election in 1719 Ralph owned 194a in Pr Geo Co., all by purchase. Between 1723-1725, he owned 1,234a in Pr Geo Co. and possibly as much as 1,534a. Ralph patented 470a in Pr Geo Co. in 1723. At his death his estate was worth 978.15.4 pounds (including 14 slaves, 159.5 oz of plate and books, final balance 772.12.4 pounds, land c2,040a. in Pr Geo Co. MD. (Papenfuse p240). An internet site listed Thomas Crabb. b. Kent Co. MD and died 3 Jan 1718/19 Charles Co. MD. Son of Henry Crabb and Hannah Emmons. Other sources listed his parents as Edward Crabb and Nana Emmons.

The author who wrote the book "The Crabb Family" by Richard Dwight Prall pub 1997 is not convinced who the father of Ralph was. The book by Monnet thinks his father was Henry but he says there isn't a shred of evidence, and other sources have said Thomas who md Elizabeth Wright was son of Ralph.

He says Thomas who md Elizabeth Wright was a brother to Ralph, not a father so unless Ralph was a lot older then we thought and the will of this Thomas who d. 1719 only listed 3 daughters in his will. But not all persons listed all their children they had so maybe Thomas was a son and he didn't list him. Although for Ralph to buy land in 1713 he would have to have money from somewhere as would have just been 23 if born 1690 and he did buy "Essington" in 1713 and it was left in his will to his wife in 1733/34 and she left to her children when she died 1763. So was Ralph a son or brother to this Thomas? No mention in this book Thomas md 1st Margaret Wilson, only that Thomas Crabb was md to Elizabeth Wright, dau of Henry Wright.

HUSBAND - Male CRABB-1391

It is thought Thomas Crabb b. 1666 England, d. 3 Jan 1719 Charles Co. MD and md Elizabeth Wright b. 1668 d. 1749 could be the parents of Ralph, Thomas and Edward Crabb.

This Thomas was said to be son of Edward Crabb & Nana Emmons and also said to be son of Henry Crabb and Hannah Emmons. (which could be the same 2 people-GLT)

Some sources list this and some not sure. All seem to agree there were 3 brothers.

WIFE - Female ?UNKNOWN-1392

It is thought Elizabeth Wright may have md Thomas Crabb, and are parents of Ralph ?Wright Crabb.

She was dau of Henry Wright.

CHILD 1 - Thomas CRABB-1390

PARENTS ARE NOT KNOWN AT THIS TIME.

Some have said Thomas and Elizabeth Wright, some had said Henry and Hannah Emmons and some have stated Ralph Sr. but none is known for sure.

Thomas Crabb who died 1719 listed 3 daughters in his will was thought to be a brother to Ralph who d. 1734 and Edward Crabb who d. 1756. This is the conjecture of Richard Dwight Prall who wrote the book "The Crabb Family" pub 1997.

CHILD 2 - Edward CRABB-1389

PARENTS ARE NOT KNOWN AT THIS TIME>

Some have thought Thomas and Elizabeth Wright, Some have thought Henry and Hannah Emmons and even Ralph Sr. has been discussed.

Edward Crabb listed as brother in will of Thomas Crabb dated 1733/34. Some of his land was to come to Thomas for his heirs.

CHILD 3 - Ralph CRABB-433

Sources from Salt Lake City library and internet listed Ralph Wright Crabb, father of Margaret Crabb who md William Hilleary. Some sources have said He was son of Thomas Crabb and Elizabeth Wright.

the book "The Crabb Family" believes he could be son of Ralph Sr. and other sources have listed him as son of Henry so it isn't for sure who the parents were but would make sense if his name was Ralph Wright Crabb and Thomas md Elizabeth Wright that they could be his parents.

Richard Prall author of "The Crabb Family" says he had found no reference that this Ralph's middle name was Wright.

Although he did have a son named Henry Wright Crabb and Henry Wright was the name of Elizabeth Wright's father that md Thomas Crabb. (either father or brother of Ralph?)

Birth listed as ca 1692/94 prob. Md Again Richard Prall disagrees with this age and thinks he was born earlier than the 1690's dates Case in point the document in MD archives with a listing of Ralph Crabb as a creditor on an inventory in 1711. If same Ralph Crabb that purchased the plantation "Essington" in 1713 which in fact this Richard did have at the time of his death, then he really wouldn't have been old enough if born 1690/2 as would have been 20 in 1711 and 22 in 1713 and if born 1695 as other sources have stated as well he would have been he certainly wouldn't have been old enough to buy land at that age. In 1713 there was one Ralph Crabb who had power of attorney as a merchant in 1713 in the estate of Isaac Miller. Believing he would have to be at least 21 or older in 1711 and 1713 he would have to have been born before 1690.

There was a Ralph Crabb listed as deceased in 1726 deed but in rereading that deed he was not deceased.

There doesn't seem to be any estate papers for a Ralph Crabb Sr. or any document that referred to him unless some of the early papers were Ralph Crabb Sr. He thinks there was no Sr. and there was he may have stayed in England and his 3 sons Thomas, Ralph & Edward came to Maryland.

The 1723 date Ralph Crabb patent for the plantation "Deer Park" mentions 2 other dates but those appear to

Notes CHILD 3 - Ralph CRABB-433 (Continued) be when maryland had changed it s land laws and meant nothing else. It appears Ralph Crabb was listed as a brother in the 1719 inventory of one Thomas Crabb of Charles Co., beign next to Pr Geo. A brother Edward is named in the 1733 will and inventory of Ralph. In 1756 heirs of Edward are discussed in a deed. So I, Richard Prall believe there were 3 Crabb brothers: Thomas b. bef 1680 d. 1719 (will only listed 3 daughters so may have been young when died? On married in 1717 and one in 1720 which would make them born ca 1700?) Ralph b. bef 1690 d. 1734 Ralph & Priscilla had 9 children between 1717/1734 and she was still in child bearing years at that time. Ralph did name a son Thomas and one Edward. He also named one son Henry Wright Crabb which could have been in honor of plantation owner Herry Wright who was the father in law of HIS BROTHER, THOMAS Crabb. (this is who some have listed as-Ralphs parents) Richard does not use the Wright as a middle name for this Ralph Crabb either. Edward b. aft Ralph d. 1756 Only located one child for Edward, a son named William and aren't many records on Edward. Marriage listed as 22 Aug 1716 Prince George Co. MD from mg records. Believeing he was at least 21 when he married he would have been born by 1695. So the dates fit the Ralph born ca this time but not the one that fit the creaditor or estate so again would appear this Ralph would have to have been born before the 1690. If born 1690 he would have been 21 in 1711. Death listed as 1734 Prince Geo Co. Md. A copy of the will is provided in the book "The Crabb Family" by Richard Dwight Prall pub 1997 pg 178-179. Written 14 Dec 1733 and probated abt 8 Mar 1734 Pr Geo Co. MD. Will Book 1 pg 225-226 Priscilla his executord presentedd his will and release bond dated 8 Mar 1734 to be probated. copy here.

In the Guardian Bonds book labeled 1708, Ralph Crabb held the bond for Bussey's orphans on p18, for Miles' orphans on p44 and then Ralph's own orphans were listed on p98. On p98 Priscilla Crabb was the widow, Turner Wooton and Osborn Sprigg held the bond and the orphans of Ralph Crabb deceases were Thomas, Margaret, Henry Wright, Ralph, Eleanor, Jeremiah, John and Cadreno Crabb (according to Monnett 1911 p380; V. Guardian Bonds 1708 p98). The "Cadreno" Crabb must have been a nickname for the infant Edward Crabb born in 1734.

Herein also is listed info on the estate which was quite large. and all the creditors and in all the estate was worth 945.16.7 1/2.

The Edward or Edmond Crabb was a brother of Ralph, not Edward the infant son of Ralph and Priscilla Crabb, born after Ralph's death in 1734. Sarah Crabb was the oldest daughter of Ralph and Priscilla who did not marry until 5 Dec 1734.

Info from the book "Across The years in Pr Geo co. MD" pg 460 listed Ralph Crabb and Priscilla Sprigg, his wife, to whom in his will, 1733, he devised his right title and interest in a part of Essington "which tract I bought of Abraham Clarke and James Williams, containing 400 acres". He also left issue: daughters; Sarah, Margaret and Eleanor; Sons: Thos. Wright, Ralph, Jeremiah, John and speaks of an unborn child.

Several sources on the internet but only copied one from John L. Porritt site as he 1o children listed and had parents of Ralph as Thomas Crabb and Elizabeth Wright. Md Priscilla Sprigg. Didn't have a lot on most of the children however.

HUSBAND - Thomas CRABB-455

An internet site listed Thomas Crabb. b. Kent Co. MD and died 3 Jan 1718/19 Charles Co. MD. Son of Henry Crabb and Hannah Emmons. Other sources listed his parents as Edward Crabb and Nana Emmons.

The author who wrote the book "The Crabb Family" by Richard Dwight Prall pub 1997 is not convinced who the father of Ralph was. The book by Monnet thinks his father was Henry but he says there isn't a shred of evidence, and other sources have said Thomas who md Elizabeth Wright was son of Ralph.

He says Thomas who md Elizabeth Wright was a brother to Ralph, not a father so unless Ralph was a lot older then we thought and the will of this Thomas who d. 1719 only listed 3 daughters in his will. But not all persons listed all their children they had so maybe Thomas was a son and he didn't list him. Although for Ralph to buy land in 1713 he would have to have money from somewhere as would have just been 23 if born 1690 and he did buy "Essington" in 1713 and it was left in his will to his wife in 1733/34 and she left to her children when she died 1763. So was Ralph a son or brother to this Thomas? No mention in this book Thomas md 1st Margaret Wilson, only that Thomas Crabb was md to Elizabeth Wright, dau of Henry Wright.

HUSBAND - Ralph CRABB-433

Sources from Salt Lake City library and internet listed Ralph Wright Crabb, father of Margaret Crabb who md William Hilleary. Some sources have said He was son of Thomas Crabb and Elizabeth Wright. the book "The Crabb Family" believes he could be son of Ralph Sr. and other sources have listed him as son of Henry so it isn't for sure who the parents were but would make sense if his name was Ralph Wright Crabb and Thomas md Elizabeth Wright that they could be his parents.

Richard Prall author of "The Crabb Family" says he had found no reference that this Ralph's middle name was Wright.

Although he did have a son named Henry Wright Crabb and Henry Wright was the name of Elizabeth Wright's father that md Thomas Crabb. (either father or brother of Ralph?)

Birth listed as ca 1692/94 prob. Md Again Richard Prall dissagrees with this age and thinks he was born earlier then the 1690's dates Case in point the document in MD archives with a listing of Ralph Crabb as a creditor on an inventory in 1711. If same Ralph Crabb that purchased the plantaiton "Essington" in 1713 which in fact this Richard did have at the time of his death, then he really wouldn't have been old enough if born 1690/2 as would have been 20 in 1711 and 22 in 1713 and if born 1695 as other sources have stated as well he would have been he certainly wouldn't have been old enough to buy land at that age. In 1713 there was one Ralph Crabb who had power of attorney as a merchant in 1713 in the estate of Isaac Miller. Believing he would have to be at least 21 or older in 1711 and 1713 he would have to have been born before 1690.

There was a Ralph Crabb listed as deceased in 1726 deed but in rereading that deed he was not deceased.

There doesn't seem to be any estate papers for a Ralph Crabb Sr. or any document that refersto him unless some of the early papers were Ralph Crabb Sr. He thinks there was no Sr. and there was he may have stayed in England and his 3 sons Thomas, Ralph & Edward came to Maryland.

The 1723 date Ralph Crabb patent for the plantaion "Deer Park" mentions 2 other dates but those appear to be when maryland had changed it s land laws and meant nothing else.

It appears Ralph Crabb was listed as a brother in the 1719 inventory of one Thomas Crabb of Charles Co., beign next to Pr Geo. A brother Edward is named in the 1733 will and inventory of Ralph. In 1756 heirs of Edward are discussed in a deed. So I, Richard Prall believe there were 3 Crabb brothers: Thomas b. bef 1680 d. 1719 (will only listed 3 daughters so may have been young when died? On married in 1717 and one in 1720 which would make them born ca 1700?)

Ralph b. bef 1690 d. 1734 Ralph & Priscilla had 9 children between 1717/1734 and she was still in child bearing years at that time. Ralph did name a son Thomas and one Edward. He also named one son Henry Wright Crabb which could have been in honor of plantation owner Herry Wright who was the father in law of HIS BROTHER, THOMAS Crabb. (this is who some have listed as Ralphs parents) Richard does not use the Wright as a middle name for this Ralph Crabb either.

Edward b. aft Ralph d. 1756 Only located one child for Edward, a son named William and aren't many records on Edward.

Marriage listed as 22 Aug 1716 Prince George Co. MD from mg records. Believeing he was at least 21 when he married he would have been born by 1695. So the dates fit the Ralph born ca this time but not the one that fit the creditor or estate so again would appear this Ralph would have to have been born before the 1690. If born 1690 he would have been 21 in 1711.

Death listed as 1734 Prince Geo Co. Md. A copy of the will is provided in the book "The Crabb Family" by Richard Dwight Prall pub 1997 pg 178-179. Written 14 Dec 1733 and probated abt 8 Mar 1734 Pr Geo Co. MD. Will Book 1 pg 225-226 Priscilla his executor presented his will and release bond dated 8 Mar 1734 to be probated. "In the name of God Amen, this fourteenth day of December in the year of our Lord God one thousand seven hundred and thirty three, I Ralph Crabb of Prince George's County, in the province of Maryland being sick and weak

The St Barnabas Ch. on 4-15-1734 elected vestrymen Osborn Sprigg and Thomas Warren instead of Mr Ralph Crabb, deceased. On 6-17-1734, the Rev Jacob Henderson was ordered to pay Priscilla Crabb 11 pounds due her late husband deceased (St Barnabas Ch. Register p50).

Priscilla Crabb ext. of Ralph Crabb ofPr Geo. Co. presented his will and release bond with Major Edward Sprigg and Henry Wright securities for 2,000 pounds, 3-8-1734 (Monnett 1911 p342: V.29 p385). Here also is listed the inventory reported 5 Sep 1734 by Priscilla Crabb. 3 pages in the book so will copy but not copy here.

In the Guardian Bonds book labeled 1708, Ralph Crabb held the bond for Bussey's orphans on p18, for Miles' orphans on p44 and then Ralph's own orphans were listed on p98. On p98 Priscilla Crabb was the widow, Turner Wooton and Osborn Sprigg held the bond and the orphans of Ralph Crabb deceases were Thomas, Margaret, Henry Wright, Ralph, Eleanor, Jeremiah, John and Cadreno Crabb (according to Monnett 1911 p380; V. Guardian Bonds 1708 p98). The "Cadreno" Crabb must have been a nickname for the infant Edward Crabb born in 1734.

Herein also is listed info on the estate which was quite large. and all the creditors and in all the estate was worth 945.16.7 1/2.

The Edward or Edmond Crabb was a brother of Ralph, not Edward the infant son of Ralph and Priscilla Crabb, born after Ralph's death in 1734. Sarah Crabb was the oldest daughter of Ralph and Priscilla who did not marry until 5 Dec 1734.

Info from the book "Across The years in Pr Geo co. MD" pg 460 listed Ralph Crabb and Priscilla Sprigg, his wife, to whom in his will, 1733, he deviseds his right title and interest in a part of Essington "which tract I bought of Abraham Clarke and James Williams, containing 400 acres". He also left issue: daughters; Sarah, Margaret and Eleanor; Sons: Thos. Wright, Jeremiah, John and speaks of an unborn child.

Several sources on the internet but only copied one from John L. Porritt site as he 1o children listed and had parents of Ralph as Thomas Crabb and Elizabeth Wright. Md Priscilla Sprigg. Didn't have a lot on most of the children however.

WIFE - Priscilla SPRIGG-434

Sources from Salt Lake City library and internet listed Priscilla md to Ralph Wright Crabb. Daughter of Col Thomas Sprigg and Margaret Mariarte.

Birth listed as ca 1699 prob. Md

Marriage listed as 22 Aug 1716 Prince Geo Co. MD.

Death listed as 1763 MD

CHILD 1 - Sarah CRABB-855

"The Crabb Family" Listed Sarah as oldest child of Ralph and Priscilla Wright Crabb. (copied info on them and their 1 child pg 187 and could have used pg 188 maybe for rest of their family).

Born St Barnabas Church, Pr Geo Co. MD, Queen Anne Parish.

1st mg 5 Dec 1734 St Barnabas Church, Pr Geo Co. Md to Robert Magruder.
Have listed 1 child for them.

2nd mg to Stephen Lee who died 1791 in Mason Co. KY. There were 4 children listed here but one in 1741 and one 1745 that makes sense but the other two Nancy Lee b. ca 1738/1745 md bef 1791 to Mr Mountjoy and other was Ann Lee b. ca 1738/1745 d. bef 1791. Since they were married by 1740, unless they were actually md before that by 1738 which is possible?

Sarah death listed before 1746 and 1st husband died by 1736 so may have had only the one child by that mg.

Not sure where Sarah died but if by 1746 prob. still in Pr Geo Co. MD.

CHILD 2 - Thomas Wright? CRABB-857

Info from the book "The Crabb Family" by Richard Dwight Prall pub 1997 pg 192 has some info on Thomas but this source doesn't know what happend to Thomas aft 1766.

Thomas was born 21 Apr 1719 and recorded St Barnabas Church, Queen anne Parish, Pr Geo Co. MD.

Thought maybe Thomas was named ater his Uncle Thomas Crabb who died in 1719, the year of Thomas's birth and his grandfather Thomas Sprigg.

Thomas was said to have married Elizabeth but no other info.

He was listed in his father will as receiving interest in 470a "Deer park" which he sold to his mother 27 Sep 1740 and he also sold 3 negroes, James, Dick and Will as part of his fathers estate.

In Frederick Co. MD debt books from 1754 to 1766 Thomas Crabb listed as an owner along with Henry, Edward and Priscilla Crabb of the 390A of estate "Essington" Which they inherited from their father Ralph Crabb in 1734.

Other info may pertain to this Thomas but not sure.

CHILD 3 - Margaret CRABB-428

Most sources in Salt Lake City library and internet has listed Margaret as dau of Ralph Wright and Priscilla Sprigg Crabb.

Margaret md William Hilleary in 1735 but not sure of county in Maryland.

Margaret was said to have died after husband in 1790 in Frederick Co. MD. Need to check for will.

CHILD 4 - Henry Wright CRABB-1287

Death date for Henry listed as 12 Jun 1764 Frederick Co. MD and he was listed as administrator for his mothers estate dated 10 Jun 1763 Prince Geo Co. MD.

Info from the book "The Crabb Family" by Richard Dwight Prall pub 1997 probably had more on Henry but didn't copy it.

Internet site by Jean Grumbling listed Henry Wright Crabb son of Ralph Wright and Priscilla Sprigg and md to Ann Snowden. Several sites listed this info.

She also listed 5 children: Ralph, Richard, Jeremiah, John and Elizabeth. Not much on any of them.

CHILD 5 - Ralph CRABB-858

Info from "The Crabb Family" by Richard Dwight Prall pub 1997 didn't have a lot on this Ralph as believe he died after his father will in 1733 and before his mothers will 1763, possibly even before 1740.

Didn't copy more on him from the book.

CHILD 6 - Eleanor CRABB-856

Info from the book "The Crabb Family" probably had more on this person but didn't check the book to see. She was listed in fathers will of 1733-34 and not sure abt mothers will of 1763?

Couple internet sites listed Eleanor md to Isaac Lansdale and some as md to Mr Lansdale. One site had Isaac as father of Catherine and another site had him listed as father to son Jeremiah Lansdale.

No other info on them to date. One site listed Eleanor died 1790 but not sure, only birth date for Isaac.

CHILD 7 - Jeremiah CRABB-859

Info from the book "The Crabb Family" by Richard Dwight Prall pub 1997 prob. had more info on him but didn't check. He was listed in fathers will of 1733-34 and also in mothers will of 1763.

this info from internet site under rootsweb. Listed Jeremiah died 1777 in Anne Arundel Co. MDd and no children listed in will.

One internet site listed Jeremiah d. 1777 and was md to Lucy Sprigg.

CHILD 8 - John CRABB-860

Info from the book "The Crabb Family" by Richard Dwight Prall pub 1997 probably had more info on John but didn't copy it. He was listed in will of father 1733-34 and believe in mothers will of 1763 as well.

CHILD 9 - Edward "Cadreno" CRABB-861

He was born after the death of his father March 1734. May have gone by the name of Cadreno as that was the name of one of the children listed as orphans of Ralph Crabb

Info from the book "The Crabb Family" by Richard Dwight Prall pub 1997 probably had more info on Edward but didn't check. He was probably the child that Priscilla was pregnant with when Ralph Crabb made out his will in 1733-34. He was prob. listed in his mothers will of 1763 as well.

Internet site listed Edward md to Ursula Sprigg and listed 6 children for them, born in Pr Geo Co. and Frederick Co. MD.

Notes

WIFE - Sarah CRABB-855

"The Crabb Family" Listed Sarah as oldest child of Ralph and Priscilla Wright Crabb. (copied info on them and their 1 child pg 187 and could have used pg 188 maybe for rest of their family).

Born St Barnabas Church, Pr Geo Co. MD, Queen Anne Parish.

1st mg 5 Dec 1734 St Barnabas Church, Pr Geo Co. Md to Robert Magruder.

Have listed 1 child for them.

2nd mg to Stephen Lee who died 1791 in Mason Co. KY. There were 4 children listed here but one in 1741 and one 1745 that makes sense but the other two Nancy Lee b. ca 1738/1745 md bef 1791 to Mr Mountjoy and other was Ann Lee b. ca 1738/1745 d. bef 1791. Since they were married by 1740, unless they were actually md before that by 1738 which is possible?

Sarah death listed before 1746 and 1st husband died by 1736 so may have had only the one child by that mg.

Not sure where Sarah died but if by 1746 prob. still in Pr Geo Co. MD.

CHILD 1 - Eleanor MAGRUDER-1290

"The Crabb Family" Listed Eleanor as dau of Sarah and Robert Crabb Magruder.

1st mg to Thomas Pratt ca 1755 (maybe more in the book that didn't copy).

HUSBAND - Thomas Wright? CRABB-857

Info from the book "The Crabb Family" by Richard Dwight Prall pub 1997 pg 192 has some info on Thomas but this source doesn't know what happend to Thomas aft 1766.

Thomas was born 21 Apr 1719 and recorded St Barnabas Church, Queen anne Parish, Pr Geo Co. MD.

Thought maybe Thomas was named ater his Uncle Thomas Crabb who died in 1719, the year of Thomas's birth and his grandfather Thomas Sprigg.

Thomas was said to have married Elizabeth but no other info.

He was listed in his father will as receiving interest in 470a "Deer park" which he sold to his mother 27 Sep 1740 and he also sold 3 negroes, James, Dick and Will as part of his fathers estate.

In Frederick Co. MD debt books from 1754 to 1766 Thomas Crabb listed as an owner along with Henry, Edward and Priscilla Crabb of the 390A of estate "Essington" Which they inherited from their father Ralph Crabb in 1734.

Other info may pertain to this Thomas but not sure.

Notes

HUSBAND - Henry Wright CRABB-1287

Death date for Henry listed as 12 Jun 1764 Frederick Co. MD and he was listed as adminstrator for his mothers estate dated 10 Jun 1763 Prince Geo Co. MD.

Info from the book "The Crabb Family" by Richard Dwight Prall pub 1997 probably had more on Henry but didnt copy it.

Internet site by Jean Grumbling listed Henry Wright Crabb son of Ralph Wright and Priscilla Sprigg and md to Ann Snowden. Several sites listed this info.

She also listed 5 children: Ralph, Richard, Jeremiah, John and Elizabeth. Not much on any of them.

HUSBAND - Isaac LANSDALE-1364

Couple sources on the internet listed name as Isaac Lansdale. One site listed dau Catherine and another site listed son Jeremiah.

WIFE - Eleanor CRABB-856

Info from the book "The Crabb Family" probably had more on this person but didn't check the book to see. She was listed in fathers will of 1733-34 and not sure abt mothers will of 1763?

Couple internet sites listed Eleanor md to Isaac Lansdale and some as md to Mr Lansdale. One site had Isaac as father of Catherine and another site had him listed as father to son Jeremiah Lansdale.

No other info on them to date. One site listed Eleanor died 1790 but not sure, only birth date for Isaac.

Notes

HUSBAND - Edward "Cadreno" CRABB-861

He was born after the death of his father March 1734. May have gone by the name of Cadreno as that was the name of one of the children listed as orphans of Ralph Crabb

Info from the book "The Crabb Family" by Richard Dwight Prall pub 1997 probably had more info on Edward but didn't check. He was probably the child that Priscilla was pregnant with when Ralph Crabb made out his will in 1733-34. He was prob. listed in his mothers will of 1763 as well.

Internet site listed Edward md to Ursula Sprigg and listed 6 children for them, born in Pr Geo Co. and Frederick Co. MD.

HUSBAND - William HILLEARY-427

Most sources in Salt Lake City library and internet have listed William as father of Ralph Crabb Hilleary.

William son of Thomas Hilleary and Eleanor Young.

William was said to have married Margaret Crabb 1735.

Family Group Record- 143

Husband William HILLEARY-427

Notes

HUSBAND - William HILLEARY-427 (Continued)

Children listed for William and Margaret totaled 13 and have dates or info on 8 of them.

William's death said 1780/90 in Frederick Co. MD. Need to check for will. One source listed children in will as: Thomas Wright, Ralph, Jeremiah, John and an unborn child, Sarah, Margaret & Eleanor. These were children of Ralph Crabb and Priscilla Sprigg, not William and Margaret.

Internet site: www.angelfire has much same info on this family of 13 children but do have the marriage date listed as 12 Nov 1758 which is wrong as they had children before that and the childrens births are listed mostly as other sources have them so this may have been a typo.

Also stated here William Hilleary, tradition has recorded as an "Indian fighter" but record of his service in the French and Indian Wars remains Hidden (Monnet Famiy Genealogy).

William lived in Prince George and Frederick Co. Md and was a planter and large slave holder.

Info from the book "Across The Years In Prince Geo Co. MD" pg 460 states, William, son of Thomas Hilleary II and Eleanor Young, md Margaret Crabb in 1735, dau of Ralph Crabb and Priscilla Sprigg

William Hilleary sells Williams Lot, his part of Three Sisters "where I now live" 87 acres to Henry Hilleary. HIs wife, Margaret acknowledged 13 Nov 1758. It is preseived that William left Pr Geo Co. abt this time.

WIFE - Margaret CRABB-428

Most sources in Salt Lake City library and internet has listed Margaret as dau of Ralph Wright and Priscilla Sprigg Crabb.

Margaret md William Hilleary in 1735 but not sure of county in Maryland.

Margaret was said to have died after husband in 1790 in Frederick Co. MD. Need to check for will.

CHILD 1 - William HILLEARY-530

Info from the book "The Crabb Family" by Richard Dwight Prall pub 1997 p 192-194-195-196

P194: William Hilleary grew up in Frederick Co. MD on hs fathers plantation in the shadow of Sugarloaf Mountain. Hillary's land was located on a ridge a small distance from a spring that runs into Bennett's Creek below the main fork. William was a private in the 33rd Batt. of the MD. Infantry under Col. Charles Beatty during the Rev. War. The capt of the company was his younger brother Ralph Crabb Hilleary. Their brother in law Abraham Monnett was in the same company.

A William Hillery of Frederick Co. swore to uphold the government of Fred. Co. as deputy sheriff on 26 Feb 1787 (according to Monnett 1911 p401) Not sure this person?

In 1792 William, his brother Jeremiah, and sister Ann migrated west, William to Mineral Co. (then part of Hampshire co. VA), WV, and Jeremiah and Ann to Allegany Co. MD. William was across the Potomac River from his brother and sister in the area called Swan Pond near Cumberland, Md. In 1802 Jeremiah and the Monnetts moved west to Pickaway Co. OH and William went to Monongalia Co. WV, near Morgantown.

BIRTH: ca 1738 prob. Pr Geo Co.

MARRIAGE: Md Druscilla ? Appears to have had 6 known children.

DEATH: Died before 1830 in Monongailia Co. WV.

Internet site: www.angelfire listed death in Prince William Co. VA. Also stated here William Hillary in 25 Aug 1792 least property in Romney VA (WV) from Rev. Denny Fairfax (Monnet Fam Gen pg 490-495)

The tract was located in what was known as "Swan Pond" land and could be seen from the site of the log cabin of Abraham Monnett and are both in short range of Knobley Mountain, which towers a short distance away.

Notes

CHILD 2 - Ralph Crabb HILLEARY-396
Several sources from Salt Lake City library and also internet.

BIRTH: Stated as 27 Dec and 2 Dec 1740 Prince George Co. MD

From the book "A History of Calvert Co. MD" by Charles F. Stein pub 1960 pg 273: Stated the Hilleary family was of French Huguenot extraction. Some settled in Huguenot settlement in VA and seems this line settled from Thomas Hilleary in Calvert Co. MD abt 1658.

Most info listed his parents as William Hilleary and Margaret Crabb.

MARRIAGE of Ralph and Mary Beall said to have been 9 Mar 1760 Maryland. Not located county.

DEATH: Stated as 21 Oct and 2 Oct 1823 Allegany Co. MD d. age 83.

Ralph Crabb Hilleary was said to have been buried in the Hilleary cem, which was located 4 miles South of Cumberland, MD. Another source said he was buried near Cresaptown which is about 6 miles south by little west of Cumberland. So both could be right.

Need will of Ralph ca 1823 in Allegany Co. MD.

Joseph P. Hilleary, adm of estate of Ralph C. Hilleary of Allegany Co. MD. Dated 13 Sep 1825. Dividends paid to representatives of W. Hilleary, Levi Hilleary and Nancy Scott, wife of J. Scott. (Ann was wife of John Scott). (prob. located abstract of will)

The will of daughter Ann Scott in 1844 Allegany Co. MD listed two nieces as two daughters of Richard Jacobs, dec'd. as Sarah Ann Jacobs Davidson and Mary Ann Jacobs Hurn McCloud

It has also been stated Ralph and Mary had Levi and William and Ann besides Eleanor who md Richard Jacobs.

"Prince George Heritage" by Md Hist Soc. listed info on families of Crabb, Beall, Murdock and Lowe. No specific mention of Ralph Crabb Hilleary. These all related to the Hilleary line except the Lowe.

1790 age 50 Should be able to locate him in all these census:

1800 age 60

1810 age 70

1820 age 80

CHILD 4 - Ann HILLEARY-531

Ann and Abraham was said to have md abt 1772 but they could have md as early as 1762 or the first childs birth date is wrong. 2nd childs date is not till 1773 so am guessing the first birth date is off.

Appears to have left Frederick Co. Md abt 1789 to go to Hampshire Co. VA then in 1802 they left Hampshire County VA and settled in Pickaway Co. OH.

Info from the book "The Crabb Family" by Richard Dwight Prall pub 1997 pg 198 has much info on ann and Abraham and their 10 children.

Here is stated they married abt 1772 Calvert Co. MD. and their children: Isaac 1773; William 1775; John 1776; Ann 1778; Thomas 1780; Osborn 1781; Margaret 1782; Rev. Jeremiah Crabb 1784; Eliz. 1790 and Ralph d. young. Here doesn't list Margaret till b. 1782. (maybe other source for date was wrong)

Ann and Abraham lived in Frederick Co. MD in abt 1763 then abt 1790 in "Swan Ford" in sight of Knobley Mt. and 4 miles from Cumberland; Mineral Co. WV. (part of Hampshire Co. VA) and in 1802 journeyed to the border of Ross
